DURANT

After marrying Octavia in a state ceremony at Rome, Antony went with her to Athens. There for a time he enjoyed the novel experience of living with a good woman. He put aside politics and war and, with OCTAVIA at his side, attended the lectures of philosophers. Meanwhile, however, he studied the plans that Caesar left for conquering PARTHIA.

DURANT

Octavian fell in love with LIVIA, the pregnant wife of TIBERIUS Claudius Nero. He divorced his first wife SCRIBONIA, persuaded Nero to release LIVIA, married her, and found, in her persuasive counsel and her aristocratic connections as a member of the Claudian gens, a passage to reconciliation with the propered classes. He reduced taxes, returned 30,000 runaway slaves to their masters, and set himself patiently to

nothing order in Italy. With the help of
AGEIPPA, and 17 120 ships controlled by Anthony,
he destroyed the fleet of SEPTUS Pompey

Jan 1, 38 BC

The Era of Caesars

also known as the Spanish Era
was a period reckoned from Jan 1,
38 BC, being the year
following the conquest
of Spain by Augustus.
The term was much used
in Africa, Spain, and south
of France

but by a synod held in 1180 its

were now abolished in all the churches

dependent on Barcelona. In 1350 Pedro II

of Aragon abolished its use in his

dominion: John of Castile did so in 1383

in Portugal the term was used till
